Designated Route: \_\_\_\_\_

(Attach Map if Necessary)

To Whom it May Concern:

I hereby authorize you to move a building or oversize load on the above designated Hubbard County Roads **provided** you follow some basic rules:

1. No movement at Night or on weekends or holidays without specific permission!
2. Notify the Hubbard County Sheriff's Office (218-732-3331) and the Hubbard County Highway Department (218-732-3302) of any Date or Route Change after this permit is issued!
3. Provide the necessary warning and safety devices and necessary pilot cars front and back!
4. You are responsible to drive or know your designated route to determine if there are any obstacles to contend with for your move, such as power lines, overhanging trees, narrow bridges, sharp corners, etc.
5. You are obligated to comply with seasonal weight restrictions and all applicable weight limits.

Any movement on a State Trunk Highway (Nos. 34, 71, 87, 200, 64, 113, 2, 226) requires additional **MNDOT notification**. Please contact the Roadway Regulations Unit at: **218/755-2942** or **218/755-3795**.
