

**CERTIFIED COPY OF RESOLUTION OF COUNTY BOARD
HUBBARD COUNTY, MINNESOTA**

Commissioner _____ moved the adoption of the following Resolution:

RESOLUTION NO. _____

2019 Spring Road Restrictions

WHEREAS, because of deterioration, rain, snow, or other climatic conditions, public roads may be seriously damaged or destroyed unless the use of vehicles thereon is prohibited or the permissible weights thereof reduced, and

WHEREAS, as per Minnesota Statutes §169.87, Subdivision 2, no person shall operate any vehicle or combination of vehicles upon any county highway or county state aid highway where the gross weight on any single axle exceeds five tons on an unpaved street or highway and ten tons on a paved street or highway. The gross weight on consecutive axles on an unpaved street or highway shall not exceed the gross weight allowed in Minnesota Statutes §169.823 to 169.829 multiplied by a factor of five divided by nine, between the dates set by the Commissioner of Transportation each year in the state.

NOW, THEREFORE, BE IT RESOLVED, that given the optional power under Minnesota Statutes §169.87, Subdivision 1, the County Engineer shall erect and maintain signs imposing the cited weight restrictions during the period determined by the Engineer. If signs are erected, the restrictions as indicated on the signs shall govern. If no signs are erected, the five ton gross weight provision per axle on unpaved streets or highways and the ten ton gross weight provision per axle on paved streets or highways shall apply.

Exceptions to the aforementioned gross weight per axle restrictions are the following roads which will be posted to five (5) ton, seven (7) ton and nine (9) ton. (SEE ATTACHED COUNTY LIST)
